天主教聖若望英文書院

28<sup>th</sup> April 2017

Re: Important matter

Dear Parents / Guardians,

The school would like to remind you that the months April to July will be peak season for Influenza, hand, foot and mouth disease & chicken pox, etc. In order to ensure the welfare of students, please look out for symptoms and kindly inform the school immediately if your child is infected so that we may take precautionary measures to further sterilize classrooms.

Please also note that we regularly maintain the cleanliness and hygiene of all classrooms and toys.

Thank you for your kind attention and future cooperation.

Yours faithfully,

School Administration
