

ST. JOHANNES COLLEGE
(CATHOLIC SCHOOL)
天主教聖若望英文書院

7th September 2018

Dear Parents / Guardians,

Please rest assured that the school has maintained precautionary action to ward mosquitos as best as possible. This is inclusive of, but not limited to;

- Utilization of mosquito coils when students have left campus grounds.
- Regular clearing and sterilization of damp areas, openings and drains.
- Establishment and maintenance of anti-bug electrical lamps in classrooms and common areas.
- Elicitation of a pest management contractor to conduct sanitation efforts and apply appropriate amounts of pesticides to eradicate pests on a monthly basis.

Despite our efforts, kindly ensure that your child / ward has an adequate amount of mosquito repellent applied before returning to school.

Thank you for your attention.

Sincerely,

Elizabeth Ho
Principal
