Dear Parents / Guardians,

Re: Classes not resuming before 20th April 2020 and Online Learning Video

In view of the latest situation of the epidemic, The Education Bureau (EDB) announced that, all schools in Hong Kong (including kindergartens, primary schools, secondary schools, special schools and private schools offering non-formal curriculum) would **not resume until 20th April 2020.**

Learning materials have been uploaded to E-class weekly per usual. During this period of time we would also like to further optimize the use of different modes of learning which includes **Online Learning Video** to maintain students' motivation in learning and provide a better learning experience for our students.
