14<sup>th</sup> September 2023

Dear Principal,

**Information to P6 Students and Parents  
Admission to St Stephen's College, Stanley**

I wish to inform you the details of admission to St Stephen's College, in the case that your Grade Six students may take interest in applying. We are a Direct Subsidy Scheme (DSS) school and on top of our robust junior school-based curriculum we offer the **Hong Kong Diploma of Secondary Education (HKDSE)** and the **International Baccalaureate Diploma Programme (IBDP)** at senior levels. We aim to instil in our boys and girls life-long learning skills, sound moral principles, and concern for both local and global perspectives and issues. We are committed to train leaders of tomorrow that are competent, resourceful, and dedicated.

Applications to our College are open on October 7. Teachers, parents and students are invited to Admission Talks held in the College on two Saturdays, October 7 and 21 from 2:00 pm to 5:00 pm, where they will receive more information about the College.

We have enclosed some posters that provide more information regarding our College which your graduates-to-be as well as parents may find useful. We would be grateful if you could disseminate these to the people concerned.

We look forward to receiving your graduates and graduates-to-be in the future!

Yours truly,

Mrs Julie Ma  
Principal
